Upcharge varies with model	

WOODS

Most Brigger furniture is available in oak, cherry and maple woods, with the following exceptions: FlipFlop Recliners, Ultra Recliners, ModSeats and LapReaders are not available in maple.

Upcharges for cherry wood are listed with each catalog item.

FINISHES

We coat all our furniture with catalyzed lacquer for a beautiful, durable and long-lasting finish. These finishes are water and alcohol resistant.

Prices in catalog are for clear finish on oak and maple.

Other stains are priced as follows:

- Stains on oak: \$30 per item (except LS or FS, \$15)
- Special maple finishes: \$50 per item (except LS or FS, \$30)

FABRICS AND LEATHERS

The fabrics and leathers displayed in the catalog are close in color to the actual, so you can safely order from the printed image. If you would like to see and feel real swatches before you order, just call us with your choice and we will send them to you free of charge.

We confirm each order and send a 2"x4" sample swatch that allows you to verify your selection. You may also request additional free swatches when you order. You can change your fabric selection within one week of receipt of the swatches.

DESIGNER KIT

Our Designer Kit lets you see and feel swatches of all our fabrics and leathers, as well as plaques of woods and finishes. Fabric swatches are 6"x6", so you will be able to make careful interior design choices.

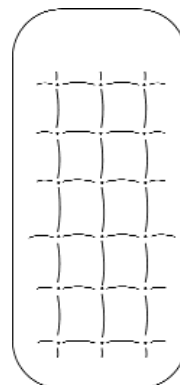

To order a Designer Kit, simply phone, fax or send us your name, address, phone number and credit card number with expiration date. We will hold your credit card but will not charge it, unless the kit is not returned after 30 days.

TUFTING PATTERNS

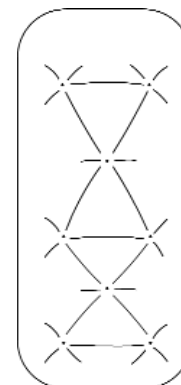

We offer three different tufting patterns for Brigger cushions. We will tuft cushions according to the following guide unless you select an optional pattern:

- Dense Square is standard for fabrics (except UltraSuede and Brisa)
- Staggered is standard for leather, UltraSuede and Brisa
- Loose Square is optional for all fabrics and leathers

DENSE SQUARE

STAGGERED

LOOSE SQUARE
