

## WELCOME TO KLEIN DESIGN!

Gerhart and Brigitte Klein  
*Founders*

For 30 years, Klein Design has been making furniture of superior comfort, design and craftsmanship. Brigger designs are clean and functional, and adaptable to fit people and their surroundings. No other furniture can be customized to fit your needs quite the same as Brigger. Whatever your size or height, we make a chair, rocker, recliner or sofa that

will make you comfortable. And with virtually endless combinations of fabrics, woods and finishes, our designs can also match your personal style.

Through mail order we are able to offer our innovative furniture to people all across the country. Thousands of customers have purchased Brigger furniture through our catalog, and many have come back to add to their collections. We guarantee every customer's satisfaction and hope that you too will delight in the ergonomic comfort of Brigger furniture.

We are available toll-free at (800) 451-7247 to answer any of your questions and help you to design your perfect pieces of furniture. Also, for our full product inventory as well as recent additions, please visit our website at [www.kleindesign.com](http://www.kleindesign.com).

## SEAT AND BACK OPTIONS FOR THE PERFECT FIT

Brigger chairs come in a range of sizes so that anyone can fully enjoy Klein Design comfort. Select from different seat depths, seat heights, seat widths and back heights to fit your particular physique.

Brigger chairs and rockers are also available in two postures. Comfort models have the perfect slope to make you feel relaxed. Those who like to sit with a straighter posture can choose an Upright model.

For advice on how to order the right size for your needs, see our "Fitting Room" on page 11. Also please refer to the photos on the following pages to see how various individuals fit in different size chairs, rocker and recliners.

For those who are within driving distance of Gloucester, Massachusetts, we recommend a visit to our workshop and showroom, where we have a wide variety of models on display. See the back cover of this catalog for directions.

## BRIGGER ERGONOMICS
