High-Back Comfort Rocker (RCH)

High-Back Upright Rocker (RUH)

Comfort Rockers are the classic Brigger rocking chairs that we have made for many years. Simply the most relaxing rockers we know how to make!

BRIGGER ROCKERS GIVE YOU PROPER SUPPORT

Brigger Rockers help you to sit with a healthy posture and stay active at the same time. They are available in two postures- Comfort and Upright- that will make you feel comfortable and relaxed.

Comfort Rockers recline just the right amount to put you at ease. Upright Rockers have a more vertical back for those who like to sit with a straighter posture. Their rocking action will keep you active and gently exercise your muscles. With adjustable LumBar support.

HOW TO DETERMINE PRICING
