

**High-Back Comfort Chair (CCH)**

D9.8 Teal Oak/Walnut

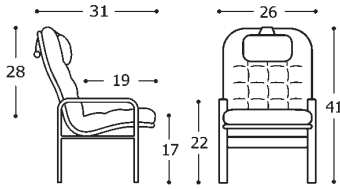

**High-Back Upright Chair (CUH)**

D20 Natural Maple/Clear

Comfort Chairs are the classic Brigger chairs. With a reclined posture, you can sit back and enjoy comfort and relaxation from your head to your toes.

Upright Chairs fill the needs of those who like to sit with a straighter posture. With a higher seat height, they are also easier to get in and out of.

**SIZE & FIT OPTIONS**

**Back Height** High (28), Extra-High (32)  
**Seat Depth** Short (18), Standard (19) and Deep (21)  
**Seat Height** Standard (15), Medium (16)

CUH						

High-Back Comfort Chair (CCH)  
 D1.3 Basil Oak/Teak

**Medium-Back Comfort Chair (CCM)**

D1.5 Eggshell Oak/Walnut

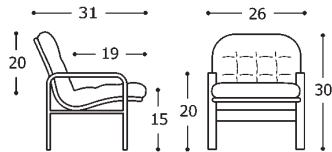

**Low-Back Upright Chair (CUL)**

D10.7 Black Maple/Cherry

Medium-Back Comfort chairs offer excellent all-around seating for living areas or offices. Smaller size allows grouping. Upright posture also (CUM).

Low-Back chairs take up even less space, and are great around tables. Shown here: Extra-wide (30) version with extra-high (18) seat height.

**SIZE & FIT OPTIONS**

**Back Height** Medium (24)  
**Seat Depth** Comfort: Short (18), Standard (19) and Deep (21)

## HEALTHY SITTING COMFORT REGARDLESS OF YOUR SIZE

The human body is the pattern for every Brigger chair. Each chair is specially designed to contour to your shape and deliver proper comfort and support to your entire body. Brigger chairs are also customizable to accommodate your individual needs. Choose between Comfort and Upright postures, as well as different back heights, seat heights and seat depths. We also offer an extra-wide version for larger people. All chairs include our Adjustable LumBar Support for the lower back.

### Dining/Desk Chair (D)

Enjoy Brigger comfort around the dinner table or office with these chairs. Also available with a tilted bottom (DT) for relaxed conversation after a meal.
